Moody Radio Operations: This Just In ... April 1, 2022

Moody Radio announces all-new Easter Special for 2022

The Moody Radio production team that brought you *Unwrapping Christmas in the Old Testament* last December returns with an all-new 54-minute Easter special. *Mysteries of Easter in the Old Testament* guides listeners on a trek across the Holy Land. Through on-location soundscapes, dramas and interviews with Israeli and Arab believers, listeners encounter the story of the cross in a timeline that feels remarkably fresh, yet is profoundly ancient.

Mysteries of Easter in the Old Testament will be released on Moody-1 twice on Easter weekend; Saturday, April 16 at 3-3:54 p.m. and Easter Sunday, April 17 at 3-3:54 p.m. CDT. The special will also be available via FTP.

Heaven, How I Got Here - Easter Special | Now Available on FTP

Adapted from Colin S. Smith's book, *Heaven, How I Got Here*, Unlocking the Bible originally released the Easter radio drama, *Heaven, How I Got Here* in 2015. This two-hour radio drama is a first person fictional account of the conversion of the thief on the cross, as read by the actor Stephen Baldwin. A riveting production complete with music bed and sound effects, the program will focus listeners on an important reality: that it is by grace alone, through faith alone, that we come into a personal relationship with Jesus Christ.

This 2 x 54-minute hour special is only available on FTP.
